

Spring Trader License Agreement

VMware, Inc. (“VMware”) provides the Software (as defined below) to you subject to the following terms and conditions. By downloading, installing, or using the Software, you (the individual or legal entity) agree to be bound by the terms of this license agreement (the “Agreement”). If you disagree with any of the following terms, then do not use the Software. “Software” means the Spring Trader software, in source code and executable code form.

1. Software for Educational and Demonstration Purposes only: The Software and information accessed using the Software is provided for evaluation, educational and demonstration purposes only (“Permitted Purposes”). Neither the Software content nor any other aspect of the Software is intended for trading or investing purposes. Neither VMware nor the Software is rendering tax, legal or investment advice, and neither VMware nor the Software is registered as an investment adviser with any regulatory authority. VMware, the Software and their licensors shall not be responsible or liable for the accuracy, usefulness or availability of any information transmitted or made available via the Software and shall not be responsible or liable for any trading or investment decisions based on such information.

2. Grant of License Rights.

2.1 License Grant to You: Subject to the terms and conditions of this Agreement, VMware grants you a non-exclusive, non-transferable, non-assignable license, in each case solely in connection with the Permitted Purposes, to (A) use, reproduce, and prepare derivative works of the Software and derivative works thereof, and (B) perform, host, display, demonstrate and distribute the Software and derivative works thereof to others, provided that you must do so subject to an agreement that protects VMware’s and its licensors’ interests consistent with the terms contained in this Agreement. You may sublicense the rights in clause (B) of the foregoing sentence, provided that any such sublicense shall be subject to a license agreement that protects VMware’s and its licensors’ interests consistent with the terms contained in this Agreement. Open source software components provided with the Software are licensed to you under the terms of the applicable license agreements included with such open source software components. The open source software licenses can be found in the open_source_licenses.txt file, other materials accompanying the Software, the documentation or corresponding source files available at https://github.com/vFabric/springtrader/blob/master/open_source_licenses.txt.

2.2 License Grant to VMware. You grant VMware and its Subsidiaries (as defined below) a non-exclusive, perpetual, irrevocable, fully paid-up, royalty-free, transferable (as set forth in Section 13), worldwide right and license, with the right to sublicense, to use, modify, prepare derivative works of, reproduce, perform, display, disclose, distribute, publish, market, rent, host, and otherwise exploit the Improvements (as defined below) without restriction in any manner now known or in the future conceived and to make, use, sell, offer to sell, import and export any product or service that incorporates the Improvements. “Improvements” means all derivative works, modifications, works of authorship, feedback, technical know-how, trade secrets, confidential information, inventions and discoveries (including without limitation all processes, improvements, knowledge, ideas and concepts) and any patent and other intellectual property rights appurtenant thereto derived by either party, either party’s employees, and either party’s agents and based on or derived from the Software and its associated intellectual property rights. “Subsidiary” means any entity that VMware controls, where “control” means at least fifty percent ownership of the outstanding shares of the entity or the ability to direct the management of the entity by contract or otherwise.

3. Restrictions: You agree that you will not (1) make any more copies of the Software than are reasonably necessary for the authorized use and backup and archival purposes; (2) distribute, host, or sublicense any part of the Software to or for any third party except as expressly permitted in Section 2; or

(3) use the Software in any manner to (a) circumvent any technical restrictions of any VMware products or violate any additional licensing terms applicable to VMware products that VMware provides through product documentation, email notification on the VMware website or in the terms of any end user license agreements; (b) disable, remove, over-ride or modify the display of any VMware product end user license agreements that any VMware products present to the end customers; or (c) upload or otherwise transmit any material containing software viruses or other computer code, files or programs designed to interrupt, destroy, or limit the functionality of any software or hardware.

The restrictions in this Section 3 shall not apply if and to the extent they contradict mandatory local law (including, but not limited to, law implementing the EC Software Directive).

4. VMware retains ownership of the Software and all intellectual property rights embodied in the Software, including without limitation all copyrights, trade secrets and patents. You may not remove, delete or modify any of VMware copyright statements in the Software. ALL RIGHTS NOT EXPRESSLY GRANTED HEREUNDER ARE RESERVED TO VMWARE.

5. You may not use VMware's name, trademarks or service marks in connection with any Improvements in a way that suggests your Improvements are certified or endorsed by VMware.

6. You are not entitled under this Agreement to receive any VMware support or subscription services for the Software or any other services from VMware in connection with the Software. If you have purchased support and/or subscription services for a VMware product, such support and/or subscription services shall not apply to the Software or your use of the Software.

7. Term, Termination and Changes: This Agreement shall continue as long as you are in compliance with the terms specified herein or until otherwise terminated. You or VMware each may terminate this Agreement for any reason at any time. You agree, upon termination, to destroy all copies of the Software within your possession or control. The Confidential Information, Limitations of Warranties and Liability, and Indemnification sections set out in this Agreement shall survive any termination or expiration of this Agreement.

8. Confidential Information: "Confidential Information" means any information disclosed by VMware to you pursuant to this Agreement that is marked "Confidential," "Proprietary," or in some similar manner and any information which you knew or reasonably should have known to be confidential. You shall treat as confidential all Confidential Information of VMware and shall not use such Confidential Information except to exercise your rights or perform your obligations under this Agreement. You will protect Confidential Information from unauthorized use, access, or disclosure in the same manner as you protect your own confidential or proprietary information of a similar nature but with no less than reasonable care. You shall not disclose such Confidential Information to any third party during or after the term of this Agreement. This paragraph will not apply to any Confidential Information that: (a) was rightfully in your possession prior to receipt of such Confidential Information from VMware; (b) is or becomes a matter of public knowledge through no fault of you; (c) is rightfully received from a third party without a duty of confidentiality; (d) is independently developed by you without breach of any confidentiality obligations; (e) is disclosed by you with VMware's prior written approval; or (f) you are required to disclose by applicable law or court order, provided that you notify VMware of such required disclosure promptly in writing and cooperate with VMware in any lawful action to contest or limit the scope of such required disclosure. You acknowledge that breach of this Section 8 will cause irreparable damage to VMware for which monetary damages will be an inadequate remedy. Accordingly, VMware will be entitled to seek and obtain injunctive and any other relief (legal or equitable) to restrain any breach or anticipated breach of this Section 8.

9. Limitations of Warranties and Liability: THE SOFTWARE IS PROVIDED “AS IS” WITHOUT ANY WARRANTIES OF ANY KIND. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, VMWARE DISCLAIMS ANY IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS.

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL VMWARE BE LIABLE FOR ANY LOST PROFITS OR BUSINESS OPPORTUNITIES, LOSS OF USE, BUSINESS INTERRUPTION, LOSS OF DATA, OR ANY OTHER INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE SOFTWARE OR YOUR USE OF THE SOFTWARE, UNDER ANY THEORY OF LIABILITY, WHETHER BASED IN CONTRACT, TORT, NEGLIGENCE, PRODUCT LIABILITY, OR OTHERWISE. BECAUSE SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, THE PRECEDING LIMITATION MAY NOT APPLY TO YOU.

VMWARE’S LIABILITY ARISING OUT OF THIS AGREEMENT AND THE SOFTWARE PROVIDED HEREUNDER WILL NOT, IN ANY EVENT, EXCEED US\$10,000.00.

THE FOREGOING LIMITATIONS SHALL APPLY TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, REGARDLESS OF WHETHER VMWARE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND REGARDLESS OF WHETHER ANY REMEDY FAILS OF ITS ESSENTIAL PURPOSE.

10. Indemnification: You agree to defend, indemnify and hold harmless VMware and any of its directors, officers, employees, affiliates and agents, from and against any and all claims, losses, damages, liabilities and other expenses (including reasonable attorneys’ fees) arising from your exercising any of your licensed rights under Section 2.1 and your breach of this Agreement.

11. Export Control: You acknowledge that the Software is of United States origin, is provided subject to the U.S. Export Administration Regulations, may be subject to the export control laws of the applicable territory, and that diversion contrary to applicable export control laws is prohibited. You represent, warrant and covenant that (1) you are not, and are not acting on behalf of, (a) any person who is a citizen, national, or resident of, or who is controlled by the government of any country to which the United States has prohibited export transactions; or (b) any person or entity listed on the U.S. Treasury Department list of Specially Designated Nationals and Blocked Persons, or the U.S. Commerce Department Denied Persons List or Entity List; and (2) you will not permit the Software to be used for any purposes prohibited by law, including, any prohibited development, design, manufacture or production of missiles or nuclear, chemical or biological weapons.

12. Data Privacy: You agree that VMware may process technical and related usage information about your use of the Software. Usage information is collected strictly for internal statistical and analytical purposes for the development of VMware products and services. You understand that any log files generated in order to obtain support from VMware may contain sensitive, confidential or personal information. You should consider obfuscating any logs before sending them to VMware. VMware’s privacy policy (<http://www.vmware.com/help/privacy.html>) shall apply.

13. These terms are governed by the laws of the State of California and the United States of America without regard to conflict of laws principles. The United Nations Convention for the International Sale of Goods shall not apply. You may not assign this Agreement. Any attempted assignment by you shall be

void. VMware may assign this Agreement without consent in connection with a merger, a corporate reorganization, or the transfer of substantially all of the assets of the business to which this Agreement relates. These terms constitute the entire agreement between you and VMware with respect to the Software and supersede all prior written or oral communications, understandings and agreements. Any waiver of these terms must be in writing and signed by the waiving party to be effective. If any provision of these terms is found to be invalid or unenforceable, the remaining terms will continue to be valid and enforceable to the fullest extent permitted by law.
